*"Some 30 years ago I cobbled
 together the 1920's songs "Shake It 'n'
 Break It" by Charlie Patton, "Ragtime
 Millionaire" by William Moore, and
 "\$o.15" by female impersonator
 Frankie "Half-Pint" Jaxson altering
 the key, the chords, the color, and
 the mood to my coat-tail whims. So
 even back then I was taking a song
 apart, turning it inside out, and
 reconstructing it on the spot".*
